Full Parti Yorkie Stud Fee's: _____

1. This contract will guarantee the actual mating of listed dogs by natural breeding or Artificial Insemination. Stud fee of \$_____ is due at time of service. No fee will be refunded should your Dam fail to whelp. If the Dam should fail to conceive and stud owner receives written notification on letterhead from a licensed Veterinarian with description of Dam and confirming no pregnancy took place, within 15 days of whelping date, a return service will be given at the next heat to the very same bitch. If bitch changes ownership or fails to conceive after return service, this contract is terminated.

2. Dam owner is responsible for any medical costs incurred as a result of breeding or whelping a litter, puppy costs including but not limited to vet visits, food, training supplies, AKC registration etc...

3. Dam owner to obtain and present to stud owner a negative brucellosis test on above mentioned bitch. Test results to accompany bitch. No natural breeding will be attempted or take place without confirmed negative brucellosis testing.

4. Litter registration application will be signed as submitted by Dam owner when the puppies are no younger than 7 days old.
Artificial Insemination is to be performed by a veterinarian in which case bitch owner is liable for all veterinary charges & shipping costs.

Any deviation from this standard contract will be noted below as agreed to by the parties involved. Signature of this contract acknowledges acceptance of all terms by both parties. Should any contractual dispute occur, parties will select a non interested third party to negotiate a settlement of issues. Any disputes arising from or about this contract that cannot be settled out of court, the proper venue for any court action will be in Washington County, UTAH. All court costs and expenses are to be paid by the buyer. By signing this contract and using my stud services you the buyer agree that you have read, understand, and accept the terms of this contract.
